

On Saturday, February 20, 2010 at 8:30 am the Wood Lake Ranger Staff along with the Davey Co. will conduct a "Chain Saw Safety Course".

- This course is a requirement to operate a chain saw on WLSR property.
- Some of the items discussed will be Maintenance of saw, personal safety gear and safe felling techniques.
- This is a one day course and it is provided at no cost to you.
- We do ask that you bring your own equipment if you have it and dress for outdoor weather.

This course will not only consist of classroom instructions but in the field training. If you plan on attending this course please RSVP me by 2-15-10 at this address or call me at (29)435-7533. The Ranger Staff will provide a lunch. I hope to see you on the 20th.
