

VOLUNTEERS AND BACKGROUND CHECKS

Renewal Instructions

On June 2, 2008, Bob Mazzuca, Chief Scout Executive, sent a letter to volunteers who have never been submitted for a criminal background check. The volunteers were asked to log on to the CBC Web site (www.bsacbc.org) by August 1, 2008, and complete the authorization process.

Volunteers who did not authorize a criminal background check or did not go to the Web site and complete the process had their registration expired. These volunteers will not appear on your charter renewal. You may notice volunteers missing from your charter renewal roster.

To renew their BSA registration, these volunteers must complete the new BSA application. The form is considered completed only if both the application and the authorization and disclosure statement are signed. Additionally, the volunteers must include their Social Security number.
